**Promptness:** Omni Impact is always ready to serve its clients and also serve its clients without delay from the first point of service to last point of service.

**Cost-Effectiveness:** The effectiveness of the service we provide our clients in relation to the cost of the logistics based service is such that gives more than expected as well as providing its clients with the desired results with respect to "Dedication" and "Promptness".

## OUR VISION

At Omni Impact International Limited, our goal-oriented approach defines a clear path for where we are headed and how we aim to achieve it. Aspiring to become the leading provider of logistics solutions within our region, we are committed to advancing our position as a global market leader in supply chain and logistics innovation.

## OUR MISSION

We are dedicated to meeting our customers' expectations by delivering personalized and professional services through innovative supply chain and logistics solutions tailored to the needs of our esteemed clients.

# OUR CORE VALUES

These principles drive the excellence and integrity of our operations as a leading logistics and supply chain management company:

### Teamwork

We foster a collaborative environment where collective effort and mutual support drive success and ensure outstanding results for our clients.

### Integrity

We are committed to transparency, authenticity, and honesty in all our operations.

### Pace & Ambition

We are committed to transparency, authenticity, and honesty in all our operations.

### Innovation

We continuously strive to discover new and improved ways of delivering exceptional logistics and supply chain solutions.

# OUR SERVICES

We embed these values into everything we plan in order to build a unique brand.

## SOURCING AND PROCUREMENT

We oversee the entire procurement process, from sourcing new suppliers to collaborating with existing ones, while managing LC financing and documentation procedures to ensure smooth and efficient transactions.

## OCEAN FREIGHT AND AIR FREIGHT

As consolidators for global freight companies, we possess the capability to handle and ship various cargo types from any location worldwide, whether by air or sea, to meet our clients' destination and scheduling requirements.

## CLEARING AND FORWARDING

Omni Impact International Limited is fully equipped to manage the clearing and forwarding of consignments of all sizes whether containerized or break bulk at any Nigerian sea or air port of entry. Our services include pre-shipment planning, advisory, and ensuring clients obtain all necessary import permits. We handle the entire clearing and documentation process and assume full responsibility for the security and safety of your consignment until it reaches the designated destination.

## DOOR TO DOOR SERVICES (IMPORT & EXPORT HANDLING)

Omni Impact International is equipped to manage the complete logistics cycle, arranging pickup, repackaging, freight, clearance, and delivery of any size or volume of cargo. Our extensive global network ensures efficient handling of shipments from numerous countries worldwide.

## HAULAGE

We control a fleet of trucks in various sizes, with strong partnerships with reliable fleet operators across Nigeria. Our well-maintained and insured trucks, along with our honest and well-trained drivers, ensure that your consignments are delivered promptly and safely to their destination.

## WAREHOUSING SERVICES

We continue to invest in secure, state-of-the-art warehouses in key cities across Nigeria. These facilities are managed by trained professionals to optimize distribution and inventory management for our clients. Our Vendor Managed Inventory Services seamlessly integrate with clients' stock control and financial management systems, ensuring an optimal balance between stock availability and cash flow.

# LOGISTICS SERVICE CONSULTING

Omni Impact International leverages its expertise to offer professional advisory and consulting services across all facets of procurement , imports , exports , transportation , warehousing , and inventory management . We take pride in our ability to provide tailored solutions that meet the unique needs of each client, carefully considering:

**Competitive Pricing** : We offer competitive pricing , leveraging our strategic partnerships with various shipping lines and airlines that have extensive global networks , ensuring we meet the demanding requirements for heavy lifts, special cargo, and liner cargo.

- **International Alliances** : We maintain strong international alliances with global consolidators , covering numerous countries, to streamline operations and ensure seamless global connectivity.
- **Electronic Tracking Systems** : Our advanced electronic tracking systems provide real -time location updates, allowing us to monitor cargo at any given time.

**Expertise with Customs and Port Agencies** : We have cultivated strong working relationships with Customs and other port agencies , ensuring smooth clearance and compliance at all entry point .

**Procurement Contract Management** : We have the full capability to manage any level of procurement contracts, supported by our reputable list of banking partners.

**Experienced Staff**: Our team consists of experienced , well-trained , and dedicated professionals who ensure the highest standards of service delivery.

## OUR STRENGTH

Our strength lies in our ability to provide a comprehensive and adaptable logistics and supply chain management package , offering cost-effective and convenient solutions tailored to the diverse needs of our clients.

We consistently achieve outstanding results, ensuring the full satisfaction of all our clients.

Our Customer Service Policy is built around a commitment to complete customer satisfaction , supported by user -friendly Customer Relationship Management tools for seamless interaction and support.

# MANAGEMENT PROFILE

## **JOHNSON NADAR** (Chairman)

With over 23 years of professional experience, Johnson Nadar has established himself as a seasoned expert in a wide range of sectors, including international procurement, import documentation, banking, finance, freight forwarding, customs clearance, logistics, project management, and business development. His diverse skill set and wealth of knowledge have allowed him to consistently deliver results in complex, high-stakes environments.

Johnson holds a Bachelor's degree in Commerce from Mumbai University and a Diploma in Export-Import Management, which have provided him with a solid academic foundation to complement his extensive practical experience. Over the course of his career, he has successfully managed and executed significant projects for major companies such as BUA Group, Dangote Group, Vacc Technical, and Cappa D'Alberto, demonstrating his ability to lead cross-functional teams and navigate complex international markets.

His expertise spans the entire supply chain, from sourcing and procurement to logistics and project implementation. Johnson's strategic insight and innovative approach to business development have been key drivers in his success, enabling him to consistently identify opportunities for growth and efficiency across multiple industries.

## **MBAONU CELESTINE** (Managing Director / CEO)

With over 28 years of experience in freight forwarding, procurement, and air and sea freight services, Mbaonu Celestine brings a wealth of expertise to the logistics and supply chain industry. He holds a Bachelor's degree in Business Administration alongside other professional qualifications that have equipped him to excel in his field.

Before joining Omni Impact International Limited, he held several key leadership positions within the industry. He served as Managing Partner at Domitrans Logistics Limited and was a board member of Dominion Shipping Agencies, where he contributed to servicing major conglomerates, including BUA Group, Vista International, DAG Group, Aarti Steel Limited, and WAMCO Milk, among others.

Mbaonu Celestine also gained significant experience at a renowned international shipping company. His extensive background in logistics and operations management has honed his expertise in operational efficiency, customer relationship management, service delivery, and corporate strategy.

Currently, he serves as the Managing Director and Chief Executive Officer of Omni Impact International Limited, where he continues to lead with vision and drive, ensuring the company's sustained growth and success.

## **MAXMILLIAN TORO** (Chief Operating Officer)

Maxmillian Toro is a highly accomplished professional with over 11 years of experience in logistics, customs brokerage, and supply chain management. As the Chief Operating Officer of Omni Impact International Limited, he oversees the company's operational strategies and ensures seamless execution across all logistics and supply chain functions.

His extensive expertise spans customs clearance, regulatory compliance, import/export facilitation, logistics strategy, and supply chain optimization. Throughout his career, Maxmillian has been instrumental in driving operational efficiency, reducing costs, and improving delivery timelines for various organizations. With his ability to navigate complex customs procedures, he has enabled him to provide seamless solutions that align with business goals.

In his role as COO, Maxmillian leads with a results-driven approach, implementing innovative strategies to enhance service delivery and operational excellence. He is skilled in identifying opportunities for process improvements, leveraging technology for automation, and ensuring compliance with global trade standards.
